

# Fort Washington Greenway Diversion

---

## 158th to 185th Street Dec. 4 – Dec. 31, 2008

---

Beginning on Dec. 4, a portion of the Riverside Park bike path in the immediate vicinity of the George Washington Bridge, will be subject to periodic full-day closures, typically from 7AM to 6PM.

---

**Bicyclists:** There will be a signed bicycle detour route along Fort Washington Ave. between 158th and 185th Sts.

---

**Pedestrians:** Access to and from the Riverside Park waterfront will be directed through the 172nd St. tunnel.  
**Please note: This route includes steps.**

---

On days the Riverside Park bike path is open, bicyclists and pedestrians will have the choice to use either the existing path or the detour routes.
