

Broadway bicycle path

Create a separated on-street bicycle path along Broadway to provide a safe internal bicycle route in addition to the greenways

SBS lane enforcement

Improve enforcement of car-free Select Bus Service lane during rush hours to improve bus commuter experience

Dyckman bicycle path

Create a separated on-street bicycle path with pedestrian amenities along Dyckman St to connect the Hudson and Harlem river greenways

Isham Triangle Plaza

Convert triangular traffic island at Isham and 211th street intersection into a green space with pedestrian amenities

Grecian Temple parking lot

Block off the former parking lot from the Greenway path and improve signage to improve pedestrian, jogger, and cyclist safety at night

Summer parties

Increase trash collection, enforce appropriate noise levels, and keep the paths clear for pedestrians, joggers, and cyclists during the large weekend parties at this location

Greenway lighting

Add lighting or reflective posts and paint to this unlighted stretch of the Hudson River Greenway alongside the Amtrak rails to improve pedestrian, jogger, and cyclist safety at night

Henry Hudson Bridge tolls

Double the Henry Hudson bridge toll for incoming traffic and eliminate the outgoing toll to reduce excess traffic on Inwood's streets

Staff St. parkway

Redesign Staff St. with switchbacks and traffic median gardens in the style of San Francisco's famed Lombard Street to reduce hazards to motorists, cyclists, and pedestrians and improve the aesthetic experience

Traffic enforcement on Dyckman

Increase the level of policing and traffic agents to address double-parking and

drag racing along the entire length of Dyckman St.

Bicycle racks program

Install bicycle racks at all transit stops, post offices, and supermarkets throughout Inwood and Washington Heights

190th St. subway entrance

Stripe crosswalk on Bennett Ave. at 190th St. A subway entrance and paint “SLOW” just north of this to mitigate dangers to pedestrians from blind curve and speeding cars

215th St stairway

Repair crumbling stairs and fix broken lighting

Uneven roadbed

Pave with concrete all Broadway bus stops and other locations where the roadbed is rippled
