I'll email my editor to make sure there's a few kicks at the freewheelers in there!

Right now, it's on the sked for the main paper, which means it would go through a whole different set of eyes in the editing.

Also, it's billed as a clash between the pro-bike lane crowd and opponents. I can't imagine how both sides wouldn't be represented.

Our Brooklyn Bureau chief had already assigned someone to cover that protest and I was called off last night.
So, we were there. Just not me.
