Ms. Penny Ryan
District Manager
Manhattan Community Board #7
250 West 87th Street
New York, NY 10024-2706

Dear Ms. Ryan:

This is in reply to your January 17, 2014 correspondence requesting that a “No Left Turn 7am-10am” regulation be installed for eastbound West 95th Street at West End Avenue. Please accept my apology for the delayed response; the survey was postponed until after the West 96th Street and Broadway Street Improvement Project was implemented in May 2014.

The Manhattan Borough Engineering office completed a field investigation involving land-use and traffic regulations at this location, and the adjacent intersections. In lieu of your request, we have issued a work order to install a “No Left Turn 7am-9am Monday To Friday” restriction at eastbound at West 95th Street and West End Avenue, which coincides with the same regulation at West 96th Street and West End Avenue. This order was submitted to our sign maintenance unit for implementation.

Thank you for contacting our office.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Forgione".
