Re: Complaint No. 2014-083-05207

Dear Detective Tallarine:

I am the attorney for the complainant in the above complaint, Dulcie Canton, with respect to civil litigation arising out of this hit and run crash of August 7, 2014.

As I mentioned to you, from the time of the crash until now we were waiting for you to interview Mr. Rivera, the owner of the car that struck Ms. Canton, before reporting this claim to Mr. Rivera's insurer. However, we could not wait any longer and had to report the claim to the insurer, GEICO, yesterday. We assume that GEICO has contacted Mr. Rivera and let him know that a crash involving his automobile has been reported.

Ms. Canton still wishes to press charges and to have Mr. Rivera interviewed in connection with this incident. Please let me know of any change or development in your investigation of this complaint.

Thank you for your work on this case. I and my client Ms. Canton stand ready to provide any assistance you may need.

Best regards,

Steve Vaccaro
