

DARCEL D. CLARK

THE DISTRICT ATTORNEY  
BRONX COUNTY

May 20, 2016

The Honorable Carl Heastie  
Speaker of the New York State Assembly  
LOB 932  
Albany, NY, 12248

Dear Speaker Heastie:

I write in support for A9861, The Every School Speed Safety Camera Act, which provides for the expanded use of speed cameras in New York City school zones. Numerous studies and our own experience with this methodology have shown conclusively that speed cameras slow traffic.

Children represent the future of our society, and are our most precious resource. We must do everything within our power to protect them. Clearly then, our children, traveling to and from their schools, deserve the most protection from dangerous driving that we can offer.

Many school zones are already protected, but we must extend this program to all our school safety areas. We simply must do all we can to reduce the potential for tragedy.

I urge you to support this important initiative that will directly impact the safety of our children.

Sincerely,

Darcel D. Clark  
District Attorney
